# Pedal Boats

## Kay Park Pedal Boats

Pedal boats by Kay Park Recreation are the best commercial-duty fiberglass pedal boats on the market. These pedal boats feature foam-filled pontoons, re-greaseable bearings, and are self-draining, making them a trouble-free pedal boat choice for rental operations in public parks, camps and resorts.

### Virtually Maintenance-Free

"We've been buying Kay Park Pedal Cruisers for years. We've tried other pedal boats in the past, but we got tired of pulling them out to drain and repair them. Our Kay Park Pedal Cruisers stay in the water all season without giving us any trouble. We don't buy anything else!"

## The Difference is Kay's

- Aluminum Grab Rails**  
Are around rear deck! (Hand rails available for sides)
- **Marine-Grade Chromed Handles**  
Are on each side for convenience!
- **Resilient Vinyl Mouldings**  
Are all around the perimeter to help absorb shocks!
- **Four Regreaseable Bronze Bearings**  
(This cuts downtime and lost profit!)
- **Built-in Non-skid Surface**  
Are on PCIV rear deck! (NOT stick-on strips)
- Proven reliability - Safety Engineered**

**Don't Forget the Life Jackets!** See page 93!

**100% Foam Filled**  
Virtually Unsinkable. Even a punctured pontoon still floats level. Big safety factor - self draining.
