

Add "ageless" elegance to any area with these cast aluminum benches. Cast aluminum frame has electrostatic powder finish. The aluminum frames will never rust and can never leave rusty marks on your floor. Pre-finished White Oak slats, 2 1/2" x 3/4", with rounded edges add beauty to these well-chosen benches. Also available in maintenance-free recycled plastic Hi-wood slats. Perfect for interior or exterior use. Feet can be drilled for stationary mounting. Add 'SM' to the model number. Benches are available in 48", 60", or 80" lengths. For extra strength, 60" and 80" benches have a third leg in the center with the armrest removed.
